

Navy Medicine Long Acting Reversible Contraception (LARC) Training STUDENT FACT SHEET: TRAINING LOCATION – GREAT LAKES, IL

<http://www.med.navy.mil/sites/nmcphc/health-promotion/reproductive-sexual-health/Pages/navylarctraining2014.aspx>

Date/times: Thursday, 27 Oct 2016

- IUD Training: 0730-1200
- NEXPLANON® (etonogestrel implant; 68mg Radiopaque) Training: 1300-1600

Place: Red Rover Clinic, CAPT James A Lovell Federal Health Care Center, Great Lakes Naval Station, North Chicago, IL;
[ADDRESS and ROOM info forthcoming].

Invited: The entire health care team is welcome, including physicians, nurse practitioners, nurses, PAs, IDCs, health educators and Hospital Corpsmen. Providers are strongly encouraged to bring their support staff.

Course Overview:

Morning: Students will learn about the incidence of unplanned pregnancy in the U.S. and DoN, and the benefits and risks of intrauterine devices and the hormonal contraceptive implant. Credentialed students will be trained to place Paragard, Mirena and Skyla IUDs. Attendees are expected to attend the entire training which is approximately 3 hours in duration. Certificates of attendance will not be issued to those who arrive late or leave early.

Afternoon: Credentialed students and Independent Duty Corpsmen will be certified to place NEXPLANON hormonal implant. The NEXPLANON training is open to all MD/DO, NP, PA, CNM and IDC participants. Residents and IDCs must understand that they can only administer NEXPLANON under the supervision of an attending physician who has also been trained on the procedures to insert and remove NEXPLANON. IDCs must possess a National Provider Identification Number (NPI#). It is Merck's policy to verify all clinicians' practice, license, and eligibility information in advance of the training. Attendees are expected to attend the entire training which is approximately 3 hours in duration. Certificates of attendance will not be issued to those who arrive late or leave early.

Presenters: BUMED Representatives, the Association of Reproductive Health Professionals (ARHP) and Merck & Co, local MTF LARC Champion.

Continuing Education Credit: ARHP is accredited for CME, CEU, and Pharmacy credits and awards 3 credit hours for completion of the IUD training. Within 4-weeks of the session ARHP sends out certificates via email. Six weeks following the session, participants are asked to complete a follow-up survey that assesses their actual use of the information presented in the sessions. The NEXPLANON session, which is sponsored by Merck, is not accredited for continuing education credit.

Travel: funding and travel/billeting arrangements for traveling student are the responsibility of the student's command. This training is exempt from the BUMED conference-approval process.

Registration: A registration / quota request form is available at:

<http://www.med.navy.mil/sites/nmcphc/health-promotion/reproductive-sexual-health/Pages/navylarctraining2014.aspx>

The student completes and emails the form and receives email confirmation. This same webpage includes a roster of confirmed / registered students. The registration POC: <mailto:michael.r.macdonald2.civ@mail.mil>; (757) 953-0974 [DSN 377].

Host-facility LARC Champion: LT Sharon Hoff; Sharon.Hoff@med.navy.mil; 847-688-5568 ext 80511.
